

A Tiny Globe for Brownies

Girls 2nd to 3rd Grade

A group activity for girls to express all that keeps them strong and feeling confident

Goal: Girls understand the unique feelings, qualities, and actions that can strengthen their sense of self.

FEEL THE POWER OF YOUR TINY GLOBE!

Let the girls know that confidence can be like an imaginary little globe they can hold in their hand that will always keep them strong and feeling great about themselves. You might say something like, *Imagine that when you hold this tiny globe in your hand, it's easier to believe in yourself and your ability to do extraordinary things! Your globe is a special symbol of the wide world of girls to which you belong!* Then ask:

- Do you ever think, “I just can’t do it” or “Maybe I shouldn’t even try”? We all think these things sometimes, but this little globe in your hand can be a reminder of all the strength and skills you have inside you!
- Let’s think about what keeps you feeling good and strong (things like your family, your friends, learning about yourself and new people and places, trying new activities, knowing everyone is special in her own way). Now, with pictures or words, let’s each of us put all of the things that make us feel good and strong inside our globes.

Once the girls have filled their globes, ask them to share what keeps them feeling strong. Ask: *Do other girls have something in their globes that might keep you strong, too? Put it in your globe!* You might say: *Take this globe home and hang it in a special place. Whenever you look at it, remember all the strength and all the skills you have inside you. With these strengths and skills, you can always do extraordinary things—even without a tiny globe in your hand!*

A WORLD OF GIRLS!

The storytelling theme of the new leadership journey offers a fun and friendly way for girls to understand themselves and their potential. *A World of Girls* invites Brownies to understand their world through stories. And those stories give them clues for how to make the world better!

Enjoy this activity with the girls, then take the whole journey together. Along the way, the girls can earn four awards!
