

Dear Parent or Guardian,

All Girl Scouts promise “to serve God.” We want to encourage our girls to fulfill this promise. The purpose of this letter is to inform you of some opportunities for your consideration. We want to make you aware of some faith-based programs because we recognize that religious instruction comes from the home and faith community.

1. Please view the following video on Faith-Based Programs and the Girl Scouts of the U.S.A. It is only 4 minutes long, but it will give you a good overview of the programs.

2. Review the basic requirements for the My Promise, My Faith Pin. The requirements appear in the Girl’s Guide to Girl Scouting or you may visit or click on the link below. This is a pin that our entire Troop can do together, but we want to inform our parents and invite them to participate and provide input.

3. Find out if your faith community offers a Religious Recognitions program by visiting or clicking on the link below. If there is such a program, we encourage you to get information and talk to your clergy about earning it. Please let us know if you are considering the Religious Recognition for your daughter. We would like to support and encourage her in this!
