

invest in girls Contribution Form

Help Girl Scouts Heart of the South invest in girls

Last year, almost one-third of the Girl Scouts registered in our council received financial assistance to cover the cost of membership, camp, and programs. Your contribution to Girl Scouts Heart of the South's invest in girls campaign will help ensure that every girl in our area who wants to participate in Girl Scouts - **can!**

\$25.00 is all it takes to invest in a girl and change the course of her life.

Please complete this form and return to your Girl Scout's troop leader.
