

Phased Reopening Plan

Updated 10/27/2021

Current Phase: **THREE**

The following guidelines will be adhered to regardless of the phase unless changed by the CDC, review these with all participants before the event begins.

1. Pre-screening questionnaire sent out to all participants, staff, and volunteers 7 days prior to the event
2. All events held at GSHS properties should have a Safety Officer, this person will make sure camp safety (including sanitization and social distancing) is happening appropriately before, during and after the event
3. Day of event temp checks: nothing above 100.4 and questions asked again with each participant and STAFF or volunteers running the program
4. Signs should be posted if not already around the event property, reminding of social distancing and correct handwashing technique
5. Handwashing and/or hand sanitizer used throughout the event
6. Masks must be worn when 6ft social distancing is not feasible
7. Bathroom limited to one person at a time
8. No use of water fountains
