

## Non-Licensed Vendor Checklist

Girl Scouts Heart of the South requires that all vendors printing and providing product for Girl Scout usage be in compliance and adhere to applicable local, state and federal laws.

I am aware of and adhere to the following:

- Product Safety Improvement Act (CPSIA) for children 12 & under
- Product liability insurance (company carries it)
- Government labor laws

I understand that with my signature, I am certifying that the above information is true and that \_\_\_\_\_ company is in compliance with the items listed above. Additionally, I stand by my quality and workmanship and provide a flexible return policy should this workmanship or quality not prove acceptable at time of receipt and/or fail within a reasonable time period. I will also comply with Product and Graphic Guidelines that are provided by the council. Furthermore, I understand that usage rights of the Girl Scouts trademarked name, marks, images or other intellectual properties that will be granted to me by Girl Scouts Heart of the South, are non-exclusive and will only endure for the time frame of the negotiated order.

If you have any questions, please contact Girl Scouts Heart of the South Marketing and Communications at [news@girlscoutshs.org](mailto:news@girlscoutshs.org) or 800-624-4185.
