

Girl Scout Juliette Guidebook

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

The Girl Scout Promise

*On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.*

The Girl Scout Law

*I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do, and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.*

About Girl Scouts

We're Girl Scouts and we believe in the power of every girl. Founded in 1912, Girl Scouts of the USA is the preeminent leadership development organization for girls. Girl Scouts is 2.5 million strong – 1.7 million girls and 750,000 adults who believe girls can change the world. It began over 100 years ago with one woman, Juliette Gordon “Daisy” Low, who believed in the power of every girl. Today, Girl Scouts continue her vision of building girls of courage, confidence, and character who make the world a better place by helping them discover their inner strengths, passions, and talents.

Girl Scouts bring their dreams to life and work together to build a better world. Through programs from coast to coast, Girl Scouts of all backgrounds and abilities can be unapologetically themselves as they discover their strengths and rise to meet new challenges—whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends. Backed by trusted adult volunteers, mentors, and millions of alums, Girl Scouts lead the way as they find their voices and make changes that affect the issues most important to them.

3 Keys to Leadership

We are a girl-led, all girl organization focused on three core “keys” to leadership: Discover, Connect, Take Action. Through these three keys, Girl Scouts will:

- **Discover** their special skills and talents, find the confidence to set challenging goals for themselves, and strive to live by their values. This includes being proud of where they came from as well as where they're going.
- **Connect** and learn how to team up, solve conflicts, and have healthy relationships. These skills help girls prepare for any career they choose in the future.
- **Take Action** to make the world a better place, and learn a lot about their community and the world along the way.

Our goal is to create a society in which every girl has the opportunity to achieve her leadership potential.

What is a Juliette?

Juliettes are Girl Scouts who participate as individually registered members instead of with a troop. As a Girl Scout Juliette, she'll participate in all the fun and amazing badges and activities, but on her own schedule. Kindergarten through 12th grade girls can be Girl Scout Juliettes!

Girl Scout Grade Levels

As a Girl Scout, there are lots of ways to have fun, make friends and do things that have a positive impact on her life, her school, and her community. At every Girl Scout grade level, girls have fun while making the world a better place.

-  Girl Scout Daisy Grades K-1
-  Girl Scout Brownie Grades 2-3
-  Girl Scout Junior Grades 4-5
-  Girl Scout Cadette Grades 6-8
-  Girl Scout Senior Grades 9-10
-  Girl Scout Ambassador Grades 11-12

Becoming a Member of Girl Scouts

Membership Dues

An annual non-refundable membership fee, due at the time of registration, goes directly to Girl Scouts of the USA and pays for the various services provided to councils, development of program materials, and activity insurance. See our website for current pricing. Membership registration is completed through your MyGS account.

Financial Assistance

Requests for financial assistance are confidential and based on personal information establishing the applicant's need. Applications are available on our website.

Leading Your Juliette

Girl Scout Juliettes is a girl-led, family driven Girl Scout experience. As a parent/caregiver of a Juliette, you and your Girl Scout will be partners, shaping and sharing in the fun of the Girl Scout Leadership Experience. A mentor you respect and trust could also serve as her Girl Scout Juliette advisor.

As her guide/mentor, you:

- Register as an adult volunteer and complete the required background check
- Support your Juliette's commitment to Girl Scouting
- Help your Juliette choose the badges that interest her
- Retain signed annual health history and permission form for your Juliette to participate in Product Programs, events, camp, and other activities
- Review council programs and camps, helping her pick the activities she wants to participate in and planning how she will fund her participation
- Help your Juliette participate in Product Programs by submitting the required forms, completing your training, fulfilling program requirements, and following safety guidelines
- You are welcome to take training to support your Girl Scout Juliette, but it is not required. Contact Shelley Haines, our New Leader Advisor, for more information.

Digital Tools & Resources

What Else Can I do in [MyGS](#)?

As a Juliette parent/caregiver, you have the same access to tools and resources that troop leaders do, such as the Volunteer Toolkit. The Volunteer Toolkit is your official source for planning easy, fun activities year-round. This fully customizable digital planning tool is accessible on any computer, tablet, or mobile device and provides you with Girl Scout program content, award requirements, and other resources.

gsLearn

Girl Scouts' online training forum hosts a wealth of training tutorials like working with various age levels, understanding badges, personal and professional development, additional resources and much more! It is home to Girl Scout trainings you can take at your own pace and on your own schedule for learning and personal enrichment. Only registered adults have access to gsLearn by signing into their MyGS account.

To access your Volunteer Toolkit, go to www.girlscoutshs.org, select MyGS to log-in, then click "Volunteer Toolkit" from the left-side menu. The Volunteer Toolkit is primarily a troop management tool, but you will be able to use it in the same way that any parent/caregiver of a girl in a troop would. Below is an explanation of the things you will find in your Volunteer Toolkit:

- **My Troop:** this tab should only display the contact information for your Juliette.
- **Explore:** this tab will allow you to set up your initial plan for the year. Choose from one of the popular pre-selected tracks or select Custom to build your own. Once you have chosen an option, you can reset it in the future, but you will lose any changes that you have made to the existing plan.
- **Year Plan:** this tab allows you to manage attendance and achievements and maintain a calendar of your Girl Scout Juliette's achievements for the year. If you record her achievements through the year plan, then you can download a list of everything that she's earned when you're ready to shop for the badges.
- **Meeting Plan:** this tab coincides with the Year Plan tab and is designed to give specific information about individual entries on the Year Plan. Each Meeting Plan gives you everything that you need to guide your Juliette through earning each badge.
- **Resources:** this tab is a wealth of information on all things Girl Scouts. There are nine hubs based on topics such as Family, Safety, Travel, Cookie Program, etc. In addition, the colored tabs across the top correspond to all the program grade levels. By selecting one of these tabs, you can find additional information that pertains directly to that grade level including a link to GSUSA's Badge Explorer, a Uniform Placement guide that shows where to put badges, patches, and other insignia, and information about various awards that girls can earn at different grade levels (i.e. the Girl Scout Bronze, Silver, and Gold Awards).

What Can a Juliette Do?

Now that your girl is a registered Girl Scout Juliette, it's time to participate in the national Girl Scout Leadership Experience. Your girl will discover, connect, and take action through learning experiences in areas Girl Scouts believe will contribute most strongly to developing tomorrow's leaders—STEM (science, technology, engineering and math), outdoors, life skills and entrepreneurship. Read on to find everything that you need to get started!

Girl Scout Program Material

Our retail staff is happy to assist you and your Juliette with the selection of program material for a great Girl Scout year! Girl Scout program material is available for your Juliette in our council retail shops and online, as well as in the Volunteer Toolkit. To get an idea of the badges that your girl might enjoy and the basic steps involved, visit GSUSA's [Badge Explorer](#), where you can search available badges by grade level and/or topic. Then jump over to your Volunteer Toolkit in your MyGS where you can view badges in detail.

- The Girl Scout Handbook contains level-specific information, the Girl Scout Promise and Law, and a section for uniform information and badge placement.
- Badge activity pamphlets are available for all badges and detail the badge requirements that Girl Scouts complete.

gsEvents

As a Girl Scout Juliette, your girl (along with an adult chaperone) can attend council-sponsored activities listed on the calendar icon on our website.

When you click on an activity name, the description will tell you what type of registration is accepted for that activity. It will also give you the grade levels appropriate for the activity, location, and time.

Destinations for Older Girls

Destinations are travel experiences offered through GSHS and GSUSA for Girl Scout Juniors, Cadettes, Seniors and Ambassadors that run from two days to three weeks. Girls can travel with other Girl Scouts from around the world to various locations across the country and abroad. Financial Aid may be available; contact info@girlscoutshs.org.

Community Service

Community service is an integral part of being a Girl Scout, providing girls with an opportunity to practice teamwork, build critical-thinking skills and empower them to make changes in their community. Sharing their time and resources helps girls increase their self-esteem and civic responsibility. Through earning a Girl Scout Bronze, Silver or Gold Award, girls learn to make real change happen in many different ways.

Product Program

The Fall Product Program (a nuts, candy, magazine and other products sale) and the Girl Scout Cookie Program are part of the Entrepreneurship pillar of the Girl Scout program. Girls learn financial literacy and entrepreneurship skills through both programs. These programs are designed to help girls grow in courage, confidence, and character while learning five valuable life skills: goal setting, decision making, money management, people skills, and business ethics.

- In both programs, girls earn recognitions and Passport Bucks that can be used in the council Shops or for Girl Scout events or camps.
- Juliettes have the option to “buddy” with a Girl Scout troop to participate in the Product Program but can also participate without a troop.
- When you “buddy” with a troop, you have the benefit of working with the troop’s Fall Product Program Coordinator or Troop Cookie Program Coordinator but you will also be subject to the troop guidelines and deadlines and proceeds stay with the troop. Participating individually may require a little extra effort on your part but may also give you more flexibility.
- To participate in the Fall Product Program or the Cookie Program as a Juliette, please contact info@girlscoutshs.org.

Highest Awards

Every Girl Scout goes above and beyond to make a difference in her community and the greater world. The skills and experiences she gains along the way set her up for special recognition through the Girl Scout Bronze, Silver and Gold Awards.

Girls in grades 4 and higher have the opportunity to earn the highest award for their grade level which represents a commitment to service and taking action to make the world a better place.

The Girl Scout Bronze Award (earned in grades 4 or 5) is the highest honor a Girl Scout Junior can achieve, recognizing that a Junior has developed the leadership and planning skills to follow through with a project while making a positive difference in her community.

The Girl Scout Silver Award (earned in grades 6, 7, or 8) is the highest award a Girl Scout Cadette can earn—gives her the chance to do big things and make the community better in the process. The Silver Award gives girls the opportunity to focus on a local issue they care about, build a team, and implement their Take Action project to better the lives of those around her and herself.

The Girl Scout Gold Award (earned in grades 9, 10, 11, or 12) is the highest award a Girl Scout can earn. Open only to girls in high school, the Girl Scout Gold Award is the most prestigious award in the world for girls—and it's only available to Girl Scouts. By the time a Girl Scout puts the final touches on her Take Action Project, she'll have solved a community problem—not only in the short term, but for years into the future.

A girl can start with any of these awards. She does not have to earn one to earn another; however, pre-requisites are required for each award.

To find more information about each of the highest awards, please visit our [website](#) or contact higherawards@girlscoutshs.org. You can also learn more by attending an awards workshop. These are not required (except for the Girl Scout Gold Award training) but can be helpful in project planning and answering award questions. Visit the [council website](#) for each award to find information on the available trainings. Visit the [council event calendar](#) to find the next Girl Scout Gold Award training.

Our Camps

Girl Scouts Heart of the South offers a variety of summer camp types and activities. Juliettes are encouraged to register for any of our camp programs as an individual or with a group of friends. Camp facilities offer accommodations in tent, cabin, lodge and primitive units. Current offerings can be found [here](#). All of our camp locations host troop camping, camporees and various trainings.

[Camp Fisherville](#)

Nestled away on 72 pristine acres, Camp Fisherville is situated in Collierville, TN, just 30 minutes east of Memphis. The varying landscape features a pond, open field and wooded areas, all perfect for hiking, archery, canoeing, backpacking, and tent camping.

The lodge features a great room with a large stone gas fireplace and fully equipped kitchen. Girls will delight in the bunk room that houses 9 sets of bunk beds – perfect for a small service unit or large troop. The shared bathroom is down the hall and features two shower stalls, two restroom stalls and double sinks.

Off the great room is the “leader” sleeping quarters which has one set of bunk beds and a private bath with shower. Through the double doors in the great room, a bricked patio and fire pit invites guests out back to enjoy s’mores and nighttime stars.

The Cookie Pavilion is located at the opposite end of the camp and is designated for day use for groups camping with their own tents. The pavilion contains a fireplace, picnic tables and two bathrooms with toilets and showers.

The camp is open year round.

[Camp Tik-A-Witha](#)

Tucked away on 310 beautiful acres, Camp Tik-A-Witha is an outdoor enthusiast’s dream. Adjacent to the Tombigbee National Forest, we’re just 30 minutes south of Tupelo, MS, 123 miles south of Memphis, TN, and 127

miles south of Jackson, TN — centrally located and designed to bring kids, and adults alike, together to make memories for a lifetime.

Camp Tik-A-Witha features a 20-acre lake, a swimming pool with slides and diving board, a challenge course, rock climbing tower, archery field, crafts hut, and playground. During the summer, campers can enjoy the large water inflatable in the lake.

The main camp area includes an in-ground swimming pool, the Infirmary, Trading Post, playground, and the Becky Cook Hall. Becky Cook Hall features a commercial kitchen, large stone fireplace, and is climate-controlled.

The camp is divided into nine main camp units which offer lodges, cabins, screened-in tents, and shower houses. Three of the units are climate-controlled, offering a more comfortable environment for younger girls. All units are located a short distance from the main camp area.

Camp Opportunities

[Resident Camp](#)

Resident Camps are overnight experiences ranging from a few days to a few weeks that offer girls traditional, equestrian and specialty options. Girls have an immersive outdoor experience where they learn teamwork, perseverance and self-discovery in an encouraging environment.

Family Events at Camp

Service units and the council host numerous family events at camp throughout the year. Check our [Events Calendar](#) for current offerings.

Build Your Juliette Year

Badges, petals, activities, awards - because Girl Scouts is girl-led, she'll pick the topics that interest her most, whether it's caring for animals; taking a stand for girls; exploring science, technology, engineering, or math (STEM); helping others; spreading kindness; protecting the environment; or anything else important to her. She can choose the topics that interest her most, and as she continues on her Girl Scout journey, she'll earn awards to put on her uniform, letting others know about the awesome things she's done and taking pride in what she's accomplished and the amazing experiences she's had along the way. In addition to GSUSA's robust, age-level appropriate badge options (detailed on pages 13-18), Girl Scouts Heart of the South encourages Juliettes to participate in our Council Patch Programs, several of which girls have helped to develop, create and write.

Girl Scout Daisies- Grades K-1

Don't we all wish we could look at the world through a Girl Scout Daisy's eyes? Everything they do—from planting a garden, to putting on a skit, to proudly adding that first petal on their vest—sparkles with that “first-time ever” newness!

As a Daisy, she might:

- Meet other Juliette friends
- Earn petals and badges as she embraces the Girl Scout Promise and Law
- Develop five key business skills through the Cookie and Fall Product Programs
- Explore nature

Girl Scout Brownies- Grades 3-4

Girl Scout Brownies are ready to take on the world and Girl Scouts lets them do just that! They want to learn new things and show off what they know. She might take that first hike in the great outdoors, visit a museum, or strengthen her money management skills during the Cookie and Fall Product Programs. Life is good when you are a Girl Scout Brownie!

As a Brownie, she might:

- Expand her circle of friends
- Have fun learning new skills as she earns badges
- Develop five key business skills through the Cookie and Fall Product Programs
- Attend Resident or Day Camp

Girl Scout Juniors, Grades 4-5

Want to meet a real-life superhero? Just talk to a Girl Scout Junior who wakes up every day ready to play a new role. Juniors are explorers when they go camping for the first time. They're CEOs when they market and sell cookies. They're scientists when they perform energy audits and go on nature walks. And, they're product designers and writers when they earn their Innovation and Storytelling badges.

As a Junior, she might:

- Earn her Girl Scout Bronze Award - one of Girl Scouts' highest awards
- Share stories and smiles with new friends
- Try new experiences as she earns badges
- Develop five key business skills through the Cookie and Fall Product Programs
- Explore the outdoors at camp and beyond

Girl Scout Cadettes, Grades 6-8

Making forever friends, saving the planet, standing up against stereotypes, using their powers for the greater good—that's what being a Girl Scout Cadette is all about. Cadettes blaze trails in the wilderness, write and direct their own movies, express themselves with confidence, make delicious meals from around the world and pick up practical life skills.

As a Cadette, she might:

- Earn her Girl Scout Silver Award - one of Girl Scouts' highest awards
- Get outdoors and off the beaten path
- Gain confidence as she mentors younger Girl Scouts
- Choose an issue she cares about as part of a Girl Scout Leadership Journey

Support for Juliettes

Our council provides resources to help with Girl Scout badges, activities, and events, as well as ceremonies and outdoor programs. Resources are available to all Girl Scout members.

In addition to these resources, Girl Scouts Heart of the South communicates council announcements, happenings, and events directly to all members via email and text including our regular monthly e-newsletters, Heartstrings and Program Possibilities.

Girl Scouts Heart of the South also supports our Girl Scout community through local service units - many of which offer events and activities to Girl Scouts in their area. Your local Membership Manager can connect you with service unit communication resources such as email lists and social media pages so you can receive information on local happenings and events.
