Please take a look at the [Volunteer Recognitions](#) tab on our website for a full description of Adult Awards, Nomination forms, and list of previous recipients. Criteria for receiving Years of Service Pin and Numeral Guards is also listed. **Deadline for all nominations and recognitions is July 15, 2025.**

Troop & SU Finance Reports

Every year, troops and service units are asked to submit a finance report to the council. *This is a requirement.*

Finance reports are necessary to ensure the proper management of Girl Scout funds. They protect both the hard-earned funds and the volunteers who manage those accounts. Participation in the Fall Product and Girl Scout Cookie Programs, as well as approval for any additional money-earning activities, may be affected for troops who have not submitted this report. These reports are due between June 1 and July 31, 2025.

Troop Finance Reports

The Troop Finance Report can be found in the Volunteer Toolkit (VTK). Troop leaders should work with their troop treasurer to complete the report.

This year, both troop leaders and troop treasurers have the ability to access and submit the form. Please be sure you work together to determine who will submit the report and ensure the accuracy of the information submitted.

Here's what you need to know:

1. The reporting period is June 1, 2024 through May 31, 2025. Unless a troop has completed all activities for this current year or is disbanding, reports should not be submitted before June 1 to ensure all income and expenses for the reporting period are included.
2. The bank statements that will be required this year are: August 2024, October 2024, January 2025, and March 2025. A troop's finance report is not complete without all four of these bank statements.
3. Troops are only allowed one submission through the VTK per membership year, so do not submit before you are ready. Once the form has been submitted, it cannot be altered.
4. You will have the opportunity to add attachments to your finance report after you have hit the button to submit your report.
5. After the report has been submitted, troops should download a copy of their finance report to keep for their records and to forward it to the service unit's finance coordinator.

[GSUSA Volunteer Toolkit- Troop Finance View](#), is available in gsLearn. With this short step-by-step guide, you'll learn more about how you can submit the troop finance report through the VTK. Log in to MyGS, open gsLearn from the left-side menu, and click the [link](#) to take a look today!

Service Unit Finance Reports

Each service unit is required to submit a [finance report](#) no later than July 31, 2025. The report should cover all income and expenses from June 1, 2024 through May 31, 2025. To ensure the full reporting period is included, the form will not accept submissions prior to June 1, 2025. Service units should be prepared to upload bank statements for the following months when submitting their finance report: August 2024, October 2024, January 2025, and March 2025. Service Unit Operation Managers should complete and submit the report.

As always, if you have any questions or need assistance, please contact a member of our Customer Care team at info@girlscoutshs.org for support.

Service Team Budgets

Budgeting is an important part of the service unit planning and finance management process. Service units are required to submit a budget at the beginning of each program year. As a reminder, service unit proceeds cannot be distributed until service units have both a [current budget](#) and a complete [finance report](#) on file with the council.

This year, the budget submission period is June 15, 2025 through August 31, 2025. The budget should be developed by the service unit's leadership team to support the program plans for the upcoming year, and submitted [HERE](#) by either the Service Unit Operations Manager or Service Unit Finance Coordinator. Once submitted, the volunteer submitting the form will receive an email confirmation of their submission. If you have any questions about your service unit budget, please contact a member of our Customer Care team at 800.624.4185 or info@girlscoutshs.org.

Super Troop

Please review the [Super Troop Requirements](#) for those working on this accomplishment for MY25. Let us know your troop qualifies for this higher achievement by submitting your [application](#) online.

The deadline to complete the MY25 requirements for Super Troop status is August 1st each year.

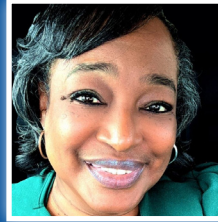

Service Unit of Excellence

Service Units that achieve the Service Unit of Excellence distinction will receive their choice of \$100 credit at their local GSHS Trefoil Trunk location or \$100 off a GSHS property rental fee, and all active registered members of the SU team will receive a SU of Excellence pin.

The [Service Unit of Excellence Requirements](#) and submission form can be found on the [Service Unit Teams](#) page on our website and are due by August 1st each year.

If you know a volunteer we need to feature in the Volunteer Spotlight segment in an upcoming issue, email us at news@girlscoutshs.org to get them on the list!

July 2025 Volunteer Spotlight Deborah Harris SU 329 - Leflore

Deborah Harris's Girl Scout journey started in 1976 in Carroll County, Mississippi, at Marshall Elementary School, where Miss Emily O'Brien was her Girl Scout leader. That experience, during school hours, left a lasting impression. "Girl Scouts was a big deal," Deborah recalls. "We practiced for two weeks to march in the Christmas parade in full uniform and white gloves. It was something special."

As an adult, Deborah's involvement was rekindled when her daughter Keisha joined Girl Scouts at age five. "I was very into what my child was doing," she said. What began as a role on the troop committee quickly evolved into assistant leader, then troop leader for the troop, which at one point served 95 girls from across the Greenwood area.

Managing a multi-level troop, Deborah led with a team of volunteers. Each grade level had its own leader; each girl had her voice, and older girls helped plan their own experiences—a Girl Scout method known as "girl-led" programming. "We were doing that before the term even existed," she said with a laugh.

Sharing Girl Scouts with her daughter is a highlight of her memories. From camping and community service to "Girl Scout vacations" filled with educational travel, Deborah treasures the bond it created. "It made me closer to my daughter," she reflects. "And I had so many girls call me their Girl Scout mom."

Deborah's leadership extended beyond her troop. She served as Service Unit Manager for 11 years and held roles in communications, finance, and media. One of her proudest moments was serving on the GSHS Council Board of Directors and the CEO Search Committee.

She's now a troop advisor, stepping back slightly while supporting her sister's troop, but her impact remains. Through countless service projects, especially visits to local nursing homes, gardening lessons, and community celebrations, she's helped girls develop courage, confidence, and character.

Over the years, Deborah estimates she's worked with more than 1,000 girls—and now, she's seeing a second generation. "I have girls now whose moms were Girl Scouts with me," she says proudly. "They know how good the program is, and they want the same for their daughters."

A highlight of her troop's year is the annual bridging ceremony. Under Deborah's guidance, girls crossing to the next level wear white dresses, a symbol of growth and transition. The tradition includes a bridge gifted by another troop leader. Graduating seniors sign it with their name and year—literally leaving their mark.

Her advice for new volunteers? "Surround yourself with people who want to help. Meet monthly with your volunteers to plan activities. Learn your girls' names. Listen to them. Be present. The girls will teach you as much as you teach them."
