

Level Up Build Strong

Celebrate Women in Construction Week with an Introduction to Careers in Construction

YOU'RE INVITED!

To an interactive construction experience designed to spark confidence and curiosity for girls in grades K-12!

During this event, you will:

- Build and test hands-on construction activities
- Learn how jobsites work and why safety matters
- See how math, creativity, and teamwork show up in real careers
- Meet women who work in construction every day!

WHEN

Saturday, March 7, 2026
9 a.m. - 1 p.m.
(Lunch provided)

Sticker Design Contest

Help us celebrate women in construction by creating art for the theme Level Up, Build Strong, and your art could be featured on construction sites throughout Memphis!

Send your 3-4" design (circular or square) with your name, organization, age, grade level, and school name to Event Organizer Netisha Burnett at nburnett@tcco.com by February 10th.

Entries will be judged in three grade-level categories (K-5, 6-8, and 9-12), with one winner selected from each.

The winning stickers will:

- Be professionally printed
- Be distributed to local construction teams and trade partners
- Appear on hard hats, equipment, and promotional materials

The three winners will also be recognized at the Level Up, Build Strong event!
