

Renewal and Registration Guide for Families

We're so happy that your family will be returning for another year of fun! If you need assistance with membership renewal or have any questions as you work to complete this process, please email info@girlscoutshs.org or call 800.624.4185.

Membership Renewal

Adults can renew memberships for their household members through the My Account portal. To access My Account, visit the council's website at www.girlscoutshs.org and select MyGS.

From there, you will log in using your email address and password. If you can't remember your password, you can select "forgot password" to have a reset email sent to you. If you do not receive this email and have confirmed it did not go to your spam/junk folder, please contact a member of our Customer Care team for assistance.

Once you're logged in, you will select "My Account" in the top right hand corner to access both your household and troop information.

Renewal Incentives

Girls who complete their membership renewal on April 1st or 2nd, 2026 will receive \$20 off their 2026-27 Girl Scout Membership dues on the "Review Your Cart" page during registration. No coupon required!

- Because verifying eligibility of Passport Bucks and completion of the membership purchase has to be done by staff, we will honor memberships using program credits (passport bucks) that were submitted on April 1st or 2nd and are ready for staff completion.
 - Girls who sold 1000+ cookie boxes and selected a free membership as their reward, will receive a personal coupon code to enter during check-out for their free membership.
 - In order for renewing members to have Passport Bucks applied to their membership dues, the "Program Credits" payment method must be selected and moved through the entire checkout process *on April 1st or 2nd*. More on this later.
- Memberships that do not have program credits available to cover their costs must be *fully purchased and completed* by selecting Credit Card as the payment option on April 1st or 2nd in order to receive the \$20 discount for girl membership dues.
- Financial Aid will not be offered during the April 1st and April 2nd membership discount promotion.

Adults who complete their membership renewal on April 1st or 2nd, 2026 will receive \$10 off their 2026-27 Girl Scout Membership dues during registration, and an invitation to our Volunteer-Only Camp Extravaganza at TAW – date to be determined. No coupon required!

Girls who renew between April 1st - April 30th will receive a free patch. Financial Aid will be an option after April 2nd but may not be available for all requests and in some cases, partial Financial Aid may be awarded, depending on funding availability.

All Lifetime Members who are active volunteers are encouraged to log in during the Spring Renewal period and renew their positions for the upcoming year. Girl Scouts across our council benefit in countless ways each day from the lifetime of experience you bring to the Movement. Words cannot express how much your continued support and dedication mean to our organization.

Important Reminders

Any members who have not renewed their membership before October 1 will become a lapsed member on that day. Troop leaders are unable to renew lapsed members; however, adult members, volunteers, and primary caregivers can still renew members through their own account. Additionally, a troop member's place is "held" in the troop within the database through September 30, if the renewal has not been completed. On October 1, when the new membership year begins, the system will no longer "hold" that role or opening for volunteers or girls.

Renewing Members

To begin renewing your family, click on "My Household" and select the member(s) you'd like to renew. You will see adults first and girls below. If you're renewing all members of the household and their troop participation and/or volunteer roles will remain the same, you can use the "Select All" box to simplify this process. You can also use this box to check everything and then uncheck a single option. You also have the options to mark a member as not

returning to a troop and to hide any inactive members, making it easier to renew those who are active.

REGISTERING GIRLS WITH PASSPORT BUCKS

If you have girls in your household who have earned Passport Bucks to apply toward their membership dues, you will need to register these girls in one transaction using Program Credits as the payment option.

You can register girls who HAVE NOT earned Passport Bucks to apply toward their membership dues in a separate transaction and selecting Credit Card as the payment option. The Early Bird Girl Membership \$20 discount will be applied to both of the above transaction types on the "Review Your Cart" page during checkout **on April 1st and 2nd only**. No coupon required!

Click the "Edit details" pencil icon beside each member's name and check to make sure all personal details are correct. At the bottom of the Member Details page, you'll see Communication Preferences. Below the preferred language, you'll find Communication Opt-Ins for SMS (text), Email, Phone and Photo. Please be sure to check all four of the Communications Opt In buttons as shown below. This helps us keep in touch with our membership via text and email and enhances our ability to document and share exciting Girl Scout news and updates! Thank you!

SAVE RETURN STATUS RENEW

Girl

Select All Hide inactive and not returning members

Barbara Dominion Edit details

Participation	Caregiver(s)	Exp. date	Program level	Status
<input type="checkbox"/> Troop 12347	Adrienne Dominion	09/30/2024		• TIME TO RENEW MEMBERSHIP <input type="checkbox"/> Not returning

For each member, check any box that you and your family members will continue to renew for.

You can also select which household members will not be returning by checking the “Not Returning” box. It may be easier to mark family members who aren’t renewing first. Once you have checked everyone as not returning, be sure to save the return status before beginning to renew the remaining members. You can then choose the option to hide all inactive and not returning members. From there, you will be able to use the “Select All” checkbox to mark all other family members to renew. As long as any household members who aren’t returning are hidden from view, they will be excluded when you opt to “Select All”.

Selecting “Not Returning” will not prevent the member from renewing their membership. If a member is marked as not returning to a troop on accident or their plans change, please contact Customer Care to have this reversed.

Any current member with the status of “time to renew membership” is eligible for renewal, and any lapsed member with the status of “lapsed membership” is eligible for renewal. Once you have all renewing members checked, you will need to scroll back up to the top to click “renew”.

When you log in to renew members of your household, if you see the status of “Unpaid Membership Pending”, this likely means that your troop leader has already made the request for renewal of that family member. You would not yet see “Active” as the status for this renewing member if the request was made to complete the renewal through program credits. More on that later.

Adding/Changing Volunteer Roles and Troops

If a girl will not be returning to the same troop for the upcoming membership season, primary caregivers should check the renewal box for the membership, but not the box for the current troop. From there, the “add a troop” selection should be made. This will then allow the troop search to appear so the new troop can be selected.

For volunteers wanting to add a new role with the same troop, the membership renewal box should be checked, the box for any roles they will be continuing should be checked, and the “add a role” selection should be made. This will then allow the volunteer opportunities search to appear so the new role can be selected. If a volunteer would like to add a new role with a different troop, the “add a troop” option should be used instead of “add a role”.

Lifetime Members

While lifetime membership renewal is free, active lifetime members must still renew their participation with Girl Scouts from year to year. As you can see below, the membership status for lifetime members remains active but the individual roles are ready for renewal.

Participation	Caregiver of	Exp. date	CBC expiration	Status	
<input type="checkbox"/> Lifetime member		N/A	N/A	• ACTIVE MEMBERSHIP	
<input type="checkbox"/> Adult Members		09/30/2024	N/A	• TIME TO RENEW	
<input type="checkbox"/> Service Unit Manager		09/30/2024	03/30/2023	• TIME TO RENEW	
<input type="checkbox"/> Troop 38705		N/A	09/30/2024	N/A	• ACTIVE MEMBERSHIP
<input type="checkbox"/> Troop Co-Leader		09/30/2024	N/A	• TIME TO RENEW	

Graduating Seniors

If a girl is in 12th grade during spring renewal season, her membership status will appear as “Renew as Adult”. When renewing a graduating senior, you will have two membership options: an annual adult membership or a discounted young adult lifetime membership.

Any graduating senior that does not turn 18 until October 1 or later will not see the option to purchase a young adult lifetime membership until that time. Any girl members that this applies to should complete the purchase of an annual membership if they would like to be eligible for renewal incentives, according to the communicated timeline. They should reach out to our customer care team after October 1 to request support in updating their membership from annual to lifetime.

Lynelle Flores Edit details		Participation	Caregiver(s)	Exp. date	Program level	Status
<input type="checkbox"/> Troop 12347		Clara Flores	09/30/2024		<input checked="" type="radio"/> RENEW AS ADULT <input type="checkbox"/> Not returning	

The renewal process for graduating seniors looks similar, however a volunteer position must be selected. If a graduating senior will not be volunteering with the troop, leaders should select “graduating senior” under the participation type.

Renewing Lapsed Members

A renewing lapsed member is a person who had a membership in 2024-2025 or earlier and did not return for the 2025-2026 membership season.

Renewing lapsed members may also choose to purchase an extended year membership for \$91 for girls and \$42 for adults. The Early Bird Membership discounts will also apply to Extended Year membership purchases if they join on April 1st and 2nd only.

Friendly reminder: you'll still be able to edit participant details before completing your purchase.

Extended Year Membership includes Girl Scout Membership from the day of purchase through September 2027.

Please be sure you're paying careful attention to the different membership options. *Remember, Girl Scout memberships are not refundable.*

Checkout Process

There are three payment types in the system: credit card, financial aid, and program credits. Please note that financial aid is not an option for troop renewal by leaders. Any financial aid requests must be made by the family, therefore those memberships will have to be purchased/renewed through the family's own account. The financial aid payment option will not be available during the Early Bird promotion period of April 1st and 2nd.

When the credit card option is selected, the payment is processed immediately. The membership status should show as "Active Member" for any of these members and their spot in the troop has been secured. The exception to this is any volunteer that has an expired, missing, or pending background check. Their membership will not appear active until their background check is completed.

When a family applies for financial aid, the girl's renewal will be in pending status until it has been approved by the council. Until then, there will be notice of a balance due in the family's My Account and her spot in the troop remains open until her registration is complete. The status of the pending membership will show as "Unpaid Membership Pending". Once the request for financial aid has been approved, the "balance due" message will disappear and the member's status updates to "Active Member". Girls who need to request Financial Aid for their membership can renew between April 3rd and April 30th and still qualify to receive an Early Bird patch, but they will not be able to take advantage of the \$20 Girl Membership discount.

Program Credits is an all-encompassing term that may be used whenever a member has credit to spend, including Passport Bucks, or the free girl membership incentive for 1,000+ boxes of cookies sold in the initial order from the 2026 Cookie Program. **PLEASE NOTE:** Girls who sold 1,000+ cookie boxes and met the initial order criteria for a free membership, will receive a personal coupon code to use during membership renewal checkout. Girls must renew their membership on April 1st or 2nd with the free membership coupon code in order to receive all of the Early Bird Incentives that are available. Memberships renewed with Program Credits or Financial Aid DO qualify for Early Bird Renewal incentives if fully submitted during the specified campaign dates. If there is any remaining balance due after applying program credits, a member of the council customer care team will call the parents to take the remaining balance due by credit card payment over the phone.

- Adults can expect a phone call from the customer care team to fully complete the purchase of memberships, covering any "balance due" by credit card payment after program credits have been applied.

- Family members that begin the process of renewal for someone in their household can expect an email notification or phone call from one of our staff members when program credits or financial aid have been applied and a balance due has been created.

NEXT PARTICIPANT

Remove participant 

Friendly reminder: you'll still be able to edit participant details before completing your purchase.

When renewing a family member, adults will have the opportunity to select a payment method for each renewing member. Therefore, it is possible to have some memberships paid for by credit card and others by program credits in the same transaction. However, you will only be able to put in one credit card for each transaction, even those involving multiple renewals. Please be aware of this as you begin the renewal process for members of your household. **We recommend renewing girls who qualify for program credits in one transaction and renewing girls who don't have program credits in an additional, separate transaction paid by credit card to ensure accuracy of discounts and/or payments.

TIP: When renewing multiple members at once, be sure to review your cart to confirm you don't have someone included who shouldn't be. Remember, Girl Scout memberships are not refundable.

Once you have reviewed your cart, you will need to agree to the Girl Scout Promise and Law before proceeding to checkout.

Girl Scout Promise and Law

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
and to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,

And to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

** Members may substitute the word God in accordance with their own spiritual beliefs.*

agree to the Girl Scout Promise and Law (required)

Once your transaction is complete, you will review a payment confirmation both on your screen and in your email. You can use this payment confirmation to print your receipt. Please be aware that it may take a minute or two for the information to update in My Account.
